

International Arbitration

Kreisson are experienced in dispute resolution and our practice includes a team dedicated to International Arbitration.

Our International Arbitration team advises domestic and international clients in relation to major cross-border disputes in the construction, resources, oil and gas, and energy industries.

The firm's recent International Arbitration work has included acting for clients based in Europe, Australia and in the Pacific Region.

OUR KEY SERVICES

Kreisson is familiar with the rules of the major Domestic and International Arbitration institutions including:

- ICC International Court of Arbitration (ICC)
- Chartered Institute of Arbitrators (CIArb)
- Hong Kong International Arbitration Centre HKIAC)
- Singapore International Arbitration Center (SIAC)
- Kuala Lumpur Regional Centre (KLRCA)
- Institute of Arbitrators and Adjudicators Australia (IAAMA)
- Australian Centre for International Commercial Arbitration (ACICA)

OUR PROCESS

We assist clients at various stages of the International Arbitration process including contract drafting and management of risk through strategic advice as well as preparation and representation during arbitral proceedings.

Contract Drafting:

We are experienced in advising clients in relation to contractual mechanisms for dispute resolution including the drafting of effective and enforceable provisions and procedures for resolution of disputes by way of International Arbitration.

Risk Management:

Our team assists clients locally and globally at managing risk as part of their involvement in major international projects. This includes managing exposure to liability and advising on the navigation of complex contractual duties and obligations.

Dispute Resolution:

Kreisson take a detailed and methodical approach to preparation of evidence, pleadings and submissions for arbitral proceedings. The firm also has access to a global network of contacts including recognised and reputable Counsel and expert consultants in a number of industries and sectors.

OUR EXPERTISE

Our team is truly global and hosts a range of international experience including Solicitors experienced in working in the United Kingdom, Europe and Asia.

We approach our International Arbitration matters with passion, lateral thinking and efficiency in order to achieve a positive and cost-effective outcome for our clients. Our lawyers offer a depth of experience in technical based industries including Mining, Oil and Gas,

Construction and Engineering and Infrastructure. In addition, our team come from varied backgrounds of working in-house as part of the legal team for major multinational corporations, on-site as builders and engineers as well as private practice lawyers.

We provide customised service and delivery, driven performance, excellent outcomes, and up-to-date International Arbitration expertise. We also offer flexible communication methods and appointments at a time and place to suit you.

The Kreisson approach results in services that:

- offer relevant, tailored solutions to our clients;
- are delivered through clear communications;
- creates measurable value for our clients;
- are a unique combination of innovation, consistency and dependability.

We would welcome the opportunity to discuss ways in which we can work with you.
